OCTOBER 2018

Chicken Farmers of Canada Gives Back to the Community

Chicken Farmers of Canada got involved with some great causes this summer!

For the second year in a row, we were sponsors of Lawn Summer Nights, a lawn-bowling tournament to raise funds for Cystic Fibrosis. The goal of the event is to create a platform for Cystic Fibrosis Canada that engages young professionals in over 20 cities through a peer-to-peer philanthropy experience. Staffers, lobbyists, and many others from the Hill community participate in this fun event every year. To date, Lawn Summer Nights has raised over \$2.7 million dollars to fight Cystic Fibrosis in Canada.

Chicken Farmers of Canada was also proud to be a returning sponsor of the United Way of Prescott-Russell's annual golf tournament, hosted by MP Francis Drouin. This event brings together golfers and non-golfers alike to support the great work the United Way does.
