

On-Farm Medicated Feed Mixing Record Template

Complete this record, or similar, for complete feeds made on-farm.

Record each batch in chronological order, and record when a flush or physical cleaning has been used. Record deviations in the Deviation Chart on the Flock Specific Record Form.

Date	Ration Name or Number	Medicated		Flush		Physical Clean		Storage Bin #/ID	Comments
		Yes (record medication name)	No	Yes	No	Yes	No	שו קייי וווט	

Note: CFC's OFFSP focusses on food safety requirements and does not address all aspects of the Feeds Act and Regulations and the Health of Animals Act and Regulations; additional requirements are needed to be compliant with federal regulations.
