

APPLICATION FOR MARKET DEVELOPMENT LICENCE (2023-2027)

I (we) hereby apply to the CHICKEN FARMERS OF CANADA for a market development licence. Every licence issued by CHICKEN FARMERS OF CANADA (“CFC”) will contain the following conditions which are to be observed by the licensee and which are prescribed by the *CANADIAN CHICKEN LICENSING REGULATIONS* (the “Regulations”) published in the Canada Gazette.

- (a) the licensee must be a primary processor using slaughtering facilities that are subject to inspection under a federal Act or regulations made under a federal Act;
- (b) the licensee must submit a market development commitment form to CFC, or to any Commodity Board or person authorized by CFC, at least seven days before the day on which CFC allocates the quota for the period indicated in section 1 of the market development commitment form;
- (c) the licensee must not knowingly engage in the marketing, in interprovincial or export trade, of chicken not raised by producers authorized to market chicken in interprovincial or export trade under federal market development quotas allotted in accordance with the *Canadian Chicken Marketing Quota Regulations*;
- (d) during the market development commitment period, the licensee must market the total live weight equivalent of the number of kilograms of chicken indicated in section 1 of the market development commitment form — calculated by using the coefficients set out in column 2 of the table to section 1 of Schedule 2 — to the buyers, and for the end-uses, referred to in section 3 of that Schedule and, during that period, the licensee must receive, in respect of the chicken, a copy of the Market Development Policy Volume Confirmation letter issued to buyers by the Department of Foreign Affairs, Trade and Development, the Certificate of Inspection Covering Meat Products issued by the Canadian Food Inspection Agency or the Official Meat Inspection Certificate for fresh meat, meat by-products, meat food products and poultry products issued by that Agency;
- (e) the chicken marketed under the market development licence must be one of the product categories set out in column 1 of the table to section 1 of Schedule 2, must not be derived from mature chicken or spent fowl and must not be imported chicken;
- (f) sufficient information to allow CFC to determine that the licensee has complied with the conditions set out in paragraphs (d) and (e) must be provided by the licensee to CFC, or to any Commodity Board or person authorized by CFC to receive the information, within 21 days after each period that is described by paragraph (a), (b) or (c) of the definition “market development commitment period” in section 1 and included in the market development commitment period during which chicken produced under the market development quota was marketed;
- (g) the licensee must comply with all orders, regulations and rules of CFC and the National Farm Products Council and with the provisions of the *Farm Products Agencies Act*;
- (h) the licensee must remit any levies imposed on the licensee under subsection 5(1) of the *Canadian Chicken Marketing Levies Order*;
- (i) within 21 days after each period that is described by paragraph (a), (b) or (c) of the definition “market development commitment period” in section 1 and included in the market development commitment period during which chicken produced under the federal market development quota was marketed, the licensee must provide to CFC, or to any Commodity Board or person authorized by CFC, in respect of the chicken that was marketed under the licence during the reporting period, a report containing the information listed in paragraph 5(3)(i)(i) to (viii), and the licensee must retain the documents relating to that information for six years after the date of the report;
- (j) the licensee must retain the documents listed in paragraph 5(3)(i.01)(i) to (vii), which will be reviewed by CFC at the end of each period within the market development commitment period, for six years after the date of the last entry, and for purposes of the review, the licensee must, if requested, forward the documents to the Commodity Board authorized by CFC;
- (k) the licensee consents to the disclosure by the Department of Foreign Affairs, Trade and Development and by the Canada Border Services Agency to CFC of information to establish that chicken claimed by the licensee to meet the licensee’s market development commitment was not imported and then re-exported under an Import for Re-Export Program or a Duty Deferral Program;
- (l) the licensee must keep complete and accurate books on all matters relevant to the marketing of chicken in interprovincial or export trade, and retain them for six years after the date of the last entry in them;
- (m) any transfer of ownership or other disposition of the chicken marketed under the market development licence does not exempt the licensee from complying with the Regulations;
- (n) the licensee must prepare and forward to CFC, or to any Commodity Board, or person designated by CFC, on a monthly basis a report of inventory of stock that is to be marketed under the market development licence and that is held in storage by the licensee, in a form that is approved by CFC and that sets out the total kilograms of chicken stored by the licensee in each province according to product categories;
- (o) on written request by CFC or any Commodity Board authorized by CFC, the licensee must provide originals of the documents listed in paragraph (i) and, except for subparagraphs (v) and (vi), the documents listed in paragraph (i.01) of the Regulations; and
- (p) the obligations of the licensee under the *Canadian Chicken Licensing Regulations* shall survive the expiry of the licence to the extent that they have not been fulfilled prior to the expiry of the licence.
